Councilman Wolf offered the following resolution:

WHEREAS, Texas Public Service Company has presented to the City Council tentative maps or plans showing the proposed construction of its gas mains in the streets in the City of Austin hereafter named, and said maps or plans have been considered by the City Council; therefore,

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF AUSTIN:

THAT Texas Public Service Company be and the same is hereby permitted to lay and construct its gas mains in and upon the following streets:

(1) A gas main in EAST SECOND STREET, beginning at a point 19 feet south of and 350 feet east of the intersection of the north line of East 2nd Street and the east line of San Saba Street;

Thence in an easterly direction with the centerline of a gas main, which centerline shall be 19 feet south of and parallel to the north line of East 2nd Street for a distance of 108 feet.

Said gas main described above shall have a cover of not less than 2½ feet.

The Texas Public Service Company is hereby put upon notice that the City of Austin does not guarantee that the space assigned above is clear from other underground utilities, but is based upon the best records we have at hand, and that the minimum depth stated does not have any reference to the fact that greater depths may not be required at special points. When the Texas Public Service Company requires definite information upon the ground as to elevations or working points from which to base the location of their assignments they shall apply to the City Engineering Department not less than three (3) days before such information is required. The Texas Public Service Company is further put upon notice that they will be required to bear the expense of repairs or replacement of any underground utility damaged during the construction of lines named in this resolution.

AND THAT whenever pavement is cut in the vicinity of a fire plug, water must be used at intervals during the course of backfilling of the ditches.

THAT the work and laying of said gas mains, including the excavation in the streets and the restoration and maintenance of said streets after said mains have been laid, shall be under the supervision and direction of the City Manager and under all the pertinent terms and conditions of the certain franchise granted to said Company by the City of Austin.

The resolution was adopted by the following vote: Ayes, Councilmen Bartholomew, Gillis, Mayor Miller, and Councilman Wolf, 4; nays, none; Councilman Alford absent, 1.

Councilman Gillis offered the following resolution:

WHEREAS, the Southwestern Bell Telephone Company has presented to the City Council tentative maps and plans showing the proposed construction of its pole lines in the streets in the City of Austin hereafter named, and said maps or plans have been considered by the City Engineer; therefore

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF AUSTIN:

THAT the Southwestern Bell Telephone Company be and the same is hereby permitted to construct its pole lines in the following streets:

(1) An underground telephone conduit across WEST LYNN STREET at West 12th Street, the center of which conduit shall be 3 feet north of and parallel to the centerline of West 12th Street.

The construction of said underground conduit and the cutting and repairing of the pavement incident to the construction of said conduit shall be under the supervision and direction of the City Engineer of the City of Austin.

THAT the work and construction of said pole lines, including the excavation of the streets and the restoration and maintenance of said streets after said pole lines have been constructed, shall be under the supervision and direction of the City Manager

and in accordance with the ordinances and regulations of the City of Austin governing such construction.

The resolution was adopted by the following vote: Ayes, Councilmen Bartholomew, Gillis, Mayor Miller, and Councilman Wolf, 4; nays, none; Councilman Alford absent, 1.

Councilman Gillis offered the following resolution:
